Re: BENJAMIN "BUGS" SIEGEL  
MISCELLANEOUS; INFORMATION CONCERNING;  
CRIME SURVEY

Dear Sir:

Reference is made to my letter dated September 17, 1946 in the above-captioned case in which you were advised that SIEGEL contemplated making a trip to New York City in connection with securing a loan.

This is to advise that it has been ascertained through [REDACTED] that reservations have been made on American Airlines, Los Angeles, for SIEGEL to leave Los Angeles on October 3, 1946 at 10:10 p.m. on Flight 170. This office is making appropriate arrangements to cover the departure of SIEGEL from Los Angeles and you will be immediately advised as to his leaving Los Angeles. b2 b7D

In connection with the proposed trip of SIEGEL to New York City, it is desired that your office make the appropriate arrangements to cover SIEGEL's activities completely at such time as he arrives in New York City and during the tenure of his stay there. As previously pointed out in the referenced letter, SIEGEL has been in contact with MEYER LANSKY, who is well known to your office. In addition, it has been noted that SIEGEL has been in contact with [REDACTED] who is also well known by your office. It is considered very possible that SIEGEL will spend considerable time with LANSKY and possibly [REDACTED]. In this connection, I desire to stress the importance of covering SIEGEL's activities in New York relative to his contacts with these individuals and other outstanding hoodlums in the New York Field Office territory. b7C

For your assistance in covering SIEGEL's activities there are attached two photographs of SIEGEL, which are considered to be extremely good likenesses of him. For a complete description of SIEGEL, reference is made to the report of Special Agent [REDACTED] dated August 20, 1946 at Los Angeles, in the instant case, wherein on Page 68 SIEGEL's description is set forth. b7C

Further, it has been ascertained that Mrs. ESTHER SIEGEL, the subject's former wife, whom he divorced recently at Reno reportedly resides at 88 Central Park West, Apartment 9, New York City.

Very truly yours,

Encl. (2)

RECEIVED BUREAU 9/23/46  
ON 9-23-46

Dear Sir:

In accordance with suggestions contained in Bureau letter dated July 26, 1946 the following is a summary of pertinent information developed in the New York Field Division in the above entitled matter from September 7, 1946 to September 13, 1946.

CONTINENTAL PRESS SERVICE AND TRANS-AMERICAN PUBLISHING AND NEWS SERVICE, INC.

[REDACTED] officials of the Trans-American Publishing and News Service Company, Inc., arrived in New York City aboard United Airlines plane from Chicago, Illinois at approximately 5:40 PM on September 5, 1946. They thereafter engaged separate rooms at the Hotel New Yorker, New York City. [REDACTED] departed from New York City on September 7, 1946 aboard American Airlines en route to Chicago, Illinois. b7C

[REDACTED]

It has been ascertained that the Continental Press Service is presently operating the track crew at Aqueduct Race Track, Queens, New York. This track crew is in charge of [REDACTED] Continental Press has leased an upper room in a private residence New York, from which point, through a telescope, it views the waging operations of its track man within the Aqueduct Race Track area. After receiving these signals the Continental Press thereafter transmits its racing results over a leased Western Union wire from its position [REDACTED] b7C

It was further ascertained that Trans-American presently maintains a track crew at Aqueduct and has leased a vantage point in a private residence [REDACTED] and four other former employees of Continental Press are presently the personnel of Trans-American track crew. Trans-American maintains a direct phone connection between its vantage point set out above and its New York office located at [REDACTED] Street, Brooklyn, New York.

As set forth in the matter entitled "BENJAMIN 'BUGS' SIEGEL, with aliases; INFORMATION CONCERNING - CRIME SURVEY", office of origin Los Angeles, California, it was noted that BENJAMIN "BUGS" SIEGEL in a telephonic communication on August 19, 1946 expressed concern as to when the wire service of Trans-American would open at Las Vegas, Nevada. It was further mentioned that SIEGEL had forwarded a check in the sum of \$22,000 as payment for this contemplated service.

It was pointed out that under existing circumstances all channels on the present cable between Los Angeles and Las Vegas are contracted for, and, unless a new cable is installed, which is unlikely, or unless a present customer declines further service, no additional customers in the Las Vegas area can be serviced.

It was noted in a letter from the Boston Field Division that

Re: BENJAMIN "BUGS" SIEGEL  
MISCELLANEOUS; INFORMATION CONCERNING;  
CRIME SURVEY

At 8:55 a.m. on October 14, 1946 I spoke with [REDACTED] at the Bureau in the absence of Assistant Director ROSEN. I advised [REDACTED] that in a conversation with Mr. ROSEN on October 10th, the latter requested that I call the Bureau on October 14th to determine whether or not we will proceed with an investigation of the Flamingo Hotel. I asked [REDACTED] if he knew whether the C.P.A. had taken any action and he replied that he did not. bx

[REDACTED] called at 12:50 p.m. on the same date and asked if work was still proceeding on the Flamingo Hotel. I told him that as of October 11, 1946 such work was proceeding, but I had not heard from the agents in Las Vegas since that date. [REDACTED] requested that we determine if work is still going forward on the Flamingo Hotel. If it is that the Bureau should be advised by teletype. [REDACTED] stated that the Bureau would communicate with me if it was desired that further investigation of this matter be conducted. bx

Re: BENJAMIN "BUGS" SIEGEL

The following information was made available through [redacted] with reference to the purchase of the Chi-Chi Bar Restaurant at Catalina Island. b2  
b7D

On October 10, 1946 [redacted] was in contact with one [redacted] (Phonetic) at the Beverly Wilshire Hotel, after which [redacted] spoke to [redacted] [redacted] informed [redacted] that he had heard of a spot that [redacted] might be interested in; that it was the best bar and cocktail room or restaurant in Catalina. He informed [redacted] that it was the Chi-Chi and [redacted] inquired as to whether this was the one [redacted] had an interest in. [redacted] stated that [redacted] was supposed to have had an interest in it, but that a friend [redacted] owns it and he has no one to take care of the business. Further, [redacted] was supposed to take care of it; however, he only went over there once or twice. The owner, according to [redacted] has a great deal of outside interest, and tried to place a brother in the business who did not fit into it. Regardless of this the proposition made money for his friend. The friend desires to sell the Chi-Chi for \$60,000 and [redacted] related that his friend had paid \$52,000 for the place and had spent \$18,500 fixing it up. [redacted] described the place as being "a h[redacted] of a buy". He related that the business was good for \$30,000 or \$40,000 for the summer season. [redacted] stated he wanted to get a report on the business and [redacted] said he would get a report by the next night. [redacted] was to leave town on the 11th; however, he stated he would cancel his reservations. [redacted] informed him that he would have called [redacted] in Chicago and had him come out and look at it as it was a natural proposition and Catalina was a "ball of fire". [redacted] had never been to Catalina and did not know the place and wanted [redacted] to get the details and call him. b7C

Shortly after [redacted] talked to [redacted] he contacted one [redacted] at the Savoy Restaurant, which is believed to be the Savoy located at 314 North Camden Drive, Beverly Hills. [redacted] stated his price for the Chi-Chi was \$60,000 and that he had just gotten a five year lease that day, which would be signed on Monday. [redacted] informed him he had a party interested in buying the Chi-Chi and [redacted] wanted to know [redacted] some of the details as to the business. [redacted] was told that the lease for the first two years would be \$7,500 per year against .6% gross and for the remaining three years \$8,500 against .8% gross. [redacted] stated b7C

that he wanted all cash on the deal as he was in need of the money. [redacted] inquired as to whether he could "make anything on the proposition". [redacted] said he could not as he was going to sell it at a cheap price. [redacted] described his friend as being in the same type of business (restaurant and bar). [redacted] His friend was interested in getting something out here and [redacted] stated that there was something else with this deal which might be what his friend wanted; that he would speak to them the next day. An appointment was made for 2 p.m. on the 11th. [redacted] to set a price of \$63,000 for the Chi-Chi and it was indicated [redacted] would get any amount over \$60,000. b7c

On October 11, 1946 [redacted] again contacted [redacted] who told [redacted] he had a big deal for the Beachcomber's in Miami. The Beachcomber's was formerly run by the [redacted] who had turned it over to a man named [redacted] and that the price would be one hundred and some odd thousand dollars. [redacted] stated he was leaving Los Angeles on the 12th and would be back in a week. He informed [redacted] that if the guy has a good deal (Chi-Chi) he would not have to go over and look at the Chi-Chi at this time, but could see it when he came back in about a week. [redacted] said the main thing he wanted to get were the figures on the business. [redacted] then stated that they could go over and see the owner and get all of the details. b7c

A search of the indices of the Los Angeles Office [redacted] failed to reflect any information which would determine [redacted] identity. b7c

Re: BENJAMIN "BUGS" SIEGEL

Assistant Director ROSEN called from the Bureau at 1:15 p.m. today and stated that the Bureau had instructed the spot surveillances on SIEGEL at New York City and [redacted] be discontinued. This is being done in an effort to conserve manpower. He asked what spot surveillances were in effect at Los Angeles and I told him that we had no spot surveillances in effect here; that VIRGINIA HILL had left for Chicago yesterday, but we did not have any surveillance on her nor did we request Chicago to surveil her. Mr. ROSEN then inquired concerning technical surveillances and I told him that at Los Angeles we were on [redacted] Mr. ROSEN suggested that these technical surveillances be discontinued and I advised him that they were being operated [redacted] at the Los Angeles Office and, therefore, required no additional manpower. I also pointed out to Mr. ROSEN that at the conferences at the Bureau it was decided that we would keep on the technical surveillances at Los Angeles and Las Vegas until we had inquired into the Flamingo Hotel matter. I advised Mr. ROSEN that we were covering the Las Vegas Club and also Room 401 at the Last Frontier Hotel at Las Vegas and this required two men on the plant. Mr. ROSEN said that we would continue this technical coverage.

I asked Mr. ROSEN if any information had been secured at Washington concerning an additional C.P.A. stop order and Mr. ROSEN said that there had not. He requested that I call him on Monday, October 14th, to ascertain the Bureau's attitude toward the further investigation of the Flamingo Hotel matter.

Reference is made to conference teletype from New York to Washington, Los Angeles, and Chicago, dated October 8, 1946 to the effect that "BUGSEY" SIEGEL was in conversation with [REDACTED] b7c b7d

The above-referenced teletype also informed that "BUGSEY" SIEGEL received a telephone call from [REDACTED] who was at the Drake Hotel, Chicago, Illinois.

This teletype furthermore informed that SIEGEL spoke with an unknown woman later ascertained to be VIRGINIA HILL and in this conversation the name [REDACTED] was mentioned.

Further information set forth in the above-mentioned teletype was to the effect that one [REDACTED] who is unknown to the Chicago Field Office, communicated with SIEGEL. *prob of Harlan, Ind. State*

In regard to the above [REDACTED]

[REDACTED] the indices on these two names are negative.

Concerning the individual named [REDACTED] as set out above, the indices of the Chicago Office are negative. It should be noted, however, that for the past week the "Chicago Daily News" advertised this individual on the theatrical page as being an entertainer at the Rio Cebana night club. The possibility exists that the [REDACTED] at the Rio Cebana is identical with the above-mentioned [REDACTED]
